

# New Federal Security Screeners Successfully Deployed At All 429 U.S. Airports

*Minneapolis-St. Paul International Airport Celebrates Accomplishments*

## PRNewswire

On Monday, November 18, 2002, Kenneth Kasprisin, the federal security director for the Minneapolis-St. Paul International Airport (MSP) will announce the successful deployment of highly-trained federal passenger screeners to our nation's 429 commercial airports on the eve of the one-year anniversary of the creation of the Transportation Security Administration. This announcement will echo a national announcement being made by Transportation Secretary Norman Y. Mineta at Ronald Reagan National Airport (DCA).

WHO: Kenneth Kasprisin, Federal Security Director, Minneapolis-St. Paul International Airport

Jeff Hamiel, Executive Director, Metropolitan Airports Commission

WHAT: Media event announcing successful deployment of new federal passenger screeners to all U.S. commercial airports
