

Lockheed Martin Names Leopold Controller For Eagan Business

PRNewswire-FirstCall
EAGAN, Minn.

Lockheed Martin has appointed Mary L. Leopold controller for Naval Electronics & Surveillance Systems (NE&SS) - Tactical Systems. In this position, Leopold will have responsibility for financial planning and analysis, budgets and capital expenditures, accounting, and internal control/government liaison. Leopold will also continue in her current role as director of pricing.

Leopold will continue to report directly to Fred. J. Kozlowski, vice president, finance and administration.

"Mary Leopold has an impressive record of performance with Lockheed Martin, and her experience will be invaluable in the position of controller," said Fred Kozlowski.

Leopold brings a wealth of experience and knowledge to the position. Her work for Lockheed Martin includes 24 years of service in positions including director of information technology and management assignments in engineering, finance and administration.

Leopold holds a bachelor's degree in business administration from the College of St. Benedict, St. Joseph, MN, and a master's degree in business administration from the Carlson School of Management at the University of Minnesota, Minneapolis, MN.

Headquartered in Bethesda, Md., Lockheed Martin employs about 125,000 people worldwide and is principally engaged in the research, design, development, manufacture and integration of advanced technology systems, products and services.
