Lockheed Martin Names Darlene Weiss Director Of Human Resources For MS2 Tactical Systems

PRNewswire-FirstCall
EAGAN, Minn.

Lockheed Martin named Darlene Weiss to the position of director of Human Resources for its Maritime Systems & Sensors (MS2) Tactical Systems line of business in Eagan.

In this position, Weiss is responsible for developing and implementing the organization's Human Resources plans, programs and activities, and overseeing the facility's Security department.

Weiss brings a wealth of experience and knowledge to this position. Most recently, she was director of Human Resources for West, a Thomson business. While at West, she had human resource responsibility for the Marketing, New Product Development and Findlaw business areas.

Weiss holds a master's degree in Instructional Design and Development from Syracuse University and a bachelor of arts degree from the State University of New York at Plattsburgh.

Headquartered in Bethesda, MD, Lockheed Martin employs about 125,000 people worldwide and is principally engaged in the research, design, development, manufacture and integration of advanced technology systems, products and services.
