In the news release, Lockheed Martin Announces Expiration of Maximum Tender Offer; \$950 Million of Total Debt to be Repurchased, issued earlier today by Lockheed Martin Corporation over PR Newswire, we are advised by the company that the third paragraph, first sentence, should read "Lockheed Martin elected not to cap the securities tendered in the Maximum Tender Offer, and has accepted for purchase all securities validly tendered and not withdrawn pursuant to both tender offers for a combined total of \$951,347,000 aggregate principal amount, as described below" rather than "665,991,000" as originally issued inadvertently.
