Information For Lockheed Martin Employees Impacted By Hurricane Katrina

Lockheed Martin has established two channels of communication to assist employees affected by Hurricane Katrina. The toll-free Lockheed Martin Hurricane Katrina Employee Assistance Hotline is available for employees at (800) 563-8442 from 8 a.m. to 5 p.m. EDT, Monday through Friday. Operators will assist in answering employee questions or guide them to the appropriate resource for assistance. Also, employees may check the Lockheed Martin website at http://www.lockheedmartin.com/ for regular updates on the status of facilities and other information.
