/C O R R E C T I O N -- Lockheed Martin/

In the news release, Lockheed MartinSelected To Upgrade Sweden's Mail Processing, issued earlier today by Lockheed Martin over PR Newswire, we are advised by the company that the ninth paragraph, first sentence, should read "Lockheed Martin employs about 135,000 people worldwide" rather than "130,000" as originally issued inadvertently.

PRNewswire -- Oct. 4
