Lockheed Martin To Host Press Conference To Discuss INDUSTRYWEEK Magazine's 'Top 10 Best Plants' Award In Camden, AR

Lockheed Martin will host a press conference at 10:00 a.m. on Thursday, September 21, 2006, at its facility in Camden, AR, to discuss details of being named one of INDUSTRYWEEK magazine's "Top 10 Best Plants" in North America.

The press conference will begin promptly at 10:00 a.m. at the company's manufacturing facility in Camden, and will last approximately one hour. Norm Anderson, Camden Operations' general manager, will be the subject matter expert. The briefing will be held on the shop floor in the company's High Mobility Artillery Rocket System (HIMARS) production area.

Media can R.S.V.P. to Craig Vanbebber (contact information below).

CONTACT: Craig Vanbebber, Senior Manager - Media Relations of Lockheed Martin Missiles and Fire Control, +1-972-603-1615, or mobile, +1-214-534-1921, or craig.vanbebber@lmco.com .

Directions to the facility will be provided to those who R.S.V.P. positively.
