Lockheed Martin Announces Defense Expo 2010 Media Briefing Schedule

PRNewswire

BETHESDA, Md., Feb. 9 -- Lockheed Martinwill highlight its broad range of land and naval defense products, systems and solutions in briefings for members of the media at the 2010 Defense Expo (DefExpo) Show in New Delhi, India. All Briefings are scheduled for 30 minutes each and will take place on Feb. 16 at the DefExpo Media Center as follows:

Tuesday, Feb. 16

11:45 a.m. - Global Partners Building Global Security: F-16IN Super Viper - The Right Multi Role Fighter for India

Highlighting why it is the most advanced 4th Generation multi-role fighter today, Lockheed Martin will discuss the technological evolution and capabilities of the F-16IN.

12:15 p.m. - Global Partners Building Global Security: C-130J - The Proven Choice To Meet Global Airlift Needs

Lockheed Martin will explain why the most proven airlifter in history, the C-130J new generation Super Hercules, is in high demand around the world.

12:45 p.m. - Global Partners Building Global Security: MH-60R Multirole Helicopter Weapon System - A World-Class Solution for Maritime Defense Needs

Proving capabilities and mission systems attributes of the U.S. Navy's most advanced anti-submarine and anti-surface warfare helicopter, and the benefits derived from commonality of airframe, avionics and logistics support for both Indian Navy and Coast Guard operations.

1:15 p.m. - Global Partners Building Global Security: Apache Systems: Combat-Proven Solutions To Give Warfighters The Decisive Edge

Key system capabilities and attributes of several Lockheed Martin products employed on the Apache helicopter will be the focus of this briefing.

Headquartered in Bethesda, Md., Lockheed Martin is a global security company that employs about 140,000 people worldwide and is principally engaged in the research, design, development, manufacture, integration and sustainment of advanced technology systems, products and services. The Corporation reported 2009 sales of $45.2 billion.
