

Lockheed Martin Announces Briefing Schedule For Surface Navy Association 24th National Symposium

ARLINGTON, Va., Jan. 4, 2012 – Lockheed Martin [NYSE: LMT] today announced its media briefing schedule for the Surface Navy Association (SNA) 24th National Symposium in Arlington, Va. SNA takes place Tuesday, Jan. 10, through Thursday, Jan. 12, and this year is themed "Surface Navy – A Credible Force in Uncertain Times."

The company will highlight accomplishments, product developments and new capabilities to meet the needs of the U.S. Navy and its sailors serving around the world.

Journalists may sign up to follow Lockheed Martin's major SNA media activities on Twitter: www.twitter.com/LockheedMartin. Additional company news, information and subject matter expert interviews will be available at <http://lockheedmartin.tumblr.com/>.

Briefings will take place in the Fairfax Room of the Hyatt Regency on Tuesday, January 10.

Lockheed Martin Press Briefings/Events

Tuesday, Jan. 10

Hyatt Regency Crystal City

2799 Jefferson Davis Highway, Fairfax Room
Arlington, Va. 22202

9:30 a.m. – On, Under and Above the Sea: Roundtable Update on the Littoral Combat Ship, Remote Multi-Mission Vehicle, K-MAX and MH-60R

Presented by Lockheed Martin's George Barton, Ship & Aviation Systems business development vice president; Joe North, Littoral Ship Systems vice president; and Rich Holmberg, Mission & Unmanned Systems vice president.

Lockheed Martin's Ship & Aviation Systems (SAS) business development vice president George Barton will kick off this four part media briefing and roundtable discussion by providing reporters with a state of the business and plans for 2012. Following the overview, reporters will receive individual program updates from George Barton on MH-60R and K-MAX; Joe North, Littoral Ship Systems vice president, on the Littoral Combat Ship; and Rich Holmberg, Mission & Unmanned Systems vice president, on the Remote Multi-Mission Vehicle.

3:00 p.m. – Aegis Modernization and Aegis BMD: Evolving with the Surface Navy's Combatant Strategy

Presented by Lockheed Martin's Nick Bucci, Aegis BMD programs director, and Jim Sheridan, U.S. Navy Aegis programs director

Lockheed Martin subject matter experts will host a roundtable discussion with reporters to discuss Aegis Modernization and Aegis Ballistic Missile Defense (BMD) recent milestones. The Aegis Weapon System plays a vital role in the European Phased Adaptive Approach and Aegis BMD technology has

evolved to support the requirements of the combatant commanders, through various upgrades and enhancements. The upgraded Aegis systems will enhance the entire fleet through Aegis Modernization, which includes the new construction Aegis Destroyers DDG 113 and beyond.

Headquartered in Bethesda, Md., Lockheed Martin is a global security company that employs about 126,000 people worldwide and is principally engaged in the research, design, development, manufacture, integration and sustainment of advanced technology systems, products and services. The Corporation's 2010 sales from continuing operations were \$45.8 billion.
