Lockheed Martin To Host Fourth Annual Information Technology Day In Jackson, Miss.

WHEN: Friday, March 30, from 9 a.m. – 4 p.m. CST

WHERE: Jackson Convention Center, 105 East Pascagoula Street, Jackson, MS 39201

WHAT: A free, day-long information technology (IT) event open to the public incorporating a "Forecast the Future" theme. Lockheed Martin's IT Day offers a robust agenda of technology topics providing a wide range of valuable information to technology and businesses professionals, students and job seekers. Click here to visit the Jackson IT Day Web site.

WHO: Hosted by Lockheed Martin, in partnership with area colleges and business sponsors, the event will include public and private sector IT professionals from throughout the state, 800 high school and college students, and 50-plus local and national IT vendors and academic partners.

Featured luncheon keynote speaker:
- **Stephen S. Pawlowski**, senior fellow, chief technology officer for the Datacenter and Connected Systems Group, and general manager for Datacenter and Connected Systems Pathfinding for Intel Corporation

Click here to view all other speakers and presenters.

Additional federal, state and local delegations have been invited to attend.

RSVP: Media are asked to register to attend by contacting Sheila Collins, sheila.collins@lmco.com or 240-401-6553

Media are instructed to check in at the event Information Booth upon arrival.
