About the USO:
The USO (United Service Organizations) lifts the spirits of America's troops and their families millions of times each year at hundreds of places worldwide. We provide a touch of home through centers at airports and military bases in the U.S. and abroad, top quality entertainment and innovative programs and services. We also provide critical support to those who need us most, including forward-deployed troops, military families, wounded warriors and their families and the families of the fallen. The USO is a private, nonprofit organization, not a government agency. All of our programs and services are made possible by the American people, support of our corporate partners and the dedication of our volunteers and staff.

About Lockheed Martin:
Headquartered in Bethesda, Md., Lockheed Martin is a global security and aerospace company that employs about 120,000 people worldwide and is principally engaged in the research, design, development, manufacture, integration, and sustainment of advanced technology systems, products, and services. The Corporation's net sales for 2012 were $47.2 billion.
