

# Lockheed Martin Announces Briefing Schedule For Singapore Airshow

PR Newswire  
BETHESDA, Md.

BETHESDA, Md., Feb. 5, 2014 /PRNewswire/ -- Lockheed Martin (NYSE:LMT) stands ready to support customers with a variety of regional security and commercial services solutions as the aerospace world shifts its focus this week to Asia Pacific. During the Singapore Airshow, the Corporation will highlight its 50-year history in the region and discuss new areas for partnership and collaboration with its valued customers.

Throughout the show, Lockheed Martin will post updates, videos, pictures and briefing details on the Corporation's official Singapore Airshow [website](#).

## Lockheed Martin Press Briefing:

### Wednesday, Feb. 12

2:00 p.m. - 2:45 p.m. (SGT), Changi Exhibition Centre, Function Room 4

***The MH-60 Romeo and fixed wing mission systems for Anti-Submarine Warfare capabilities*** with Mike Fralen, director of business development, Lockheed Martin Mission Systems and Training

Today's evolving global landscape requires anti-submarine warfare, anti-surface warfare and intelligence, surveillance, reconnaissance mission system capabilities, and Lockheed Martin brings this innovative technology to the U.S. and international navies. Lockheed Martin has more than 50 years of experience in maritime patrol aviation and modern open architecture mission systems for fixed wing aircraft, and now Lockheed Martin is applying this expertise to the new production C-130J platform. Additionally, Lockheed Martin delivers the world's most dynamic helicopter, the MH-60 Romeo, to the U.S. Navy and international customers. Please join us as we discuss how we are delivering these innovative technologies in new ways to our customers worldwide.

Headquartered in Bethesda, Md., Lockheed Martin is a global security and aerospace company that employs approximately 115,000 people worldwide and is principally engaged in the research, design, development, manufacture, integration and sustainment of advanced technology systems, products and services. The Corporation's net sales for 2013 were \$45.4 billion.
