Gamma-Dynacare Unveils New Branding

BRAMPTON, ON, May 4, 2015 /CNW/ - Naseem Somani, President and CEO, looks on as new Dynacare signage is unveiled at the company's laboratory and head office in Brampton, Ontario. Gamma-Dynacare Medical Laboratories is changing its name to Dynacare and rebranding its operations to reflect a broader focus on providing health and wellness solutions. The company's operations include eight medical laboratories and more than 200 Laboratory and Health Services Centres across Canada from which it serves more than 10 million Canadians annually.
