BRAMPTON, ON, Dec. 8, 2015 /CNW/ - Dynacare has been named, for the eighth consecutive year, as one of Greater Toronto's Top Employers by Mediacorp Canada, Inc.

"We are extremely honoured to receive this recognition for the eighth time," said Naseem Somani, President and CEO, Dynacare. "I truly believe we have the very best employees in our industry and I'm so very proud of their dedication, hard work, and compassion which are critical to delivering an ideal customer experience."

Held annually, the Greater Toronto's Top Employers competition is designed to highlight GTA employers who offer an outstanding workplace. The winners were selected from among the many workplaces who submitted an application to this year's national competition. Employers were evaluated based on a number of factors, including physical workplace, atmosphere, communication, performance management, training and skills development and community involvement.

Dynacare was recognized for encouraging employees to develop their skills through in-house/online training programs, a robust Corporate Giving program, employee-led social committee initiatives, and post-secondary scholarship & sports sponsorships programs for employees' children. The judges also noted that Dynacare provides flexible scheduling through compressed work weeks and job sharing.
