

## Lockheed Martin Submits Bid For Special Operations Forces' Global Logistics Support Services Program

ORLANDO, Fla., Nov. 1, 2016 /[PRNewswire](#)/ -- Lockheed Martin (NYSE: LMT) has submitted a proposal for U.S. Special Operations Command's (USSOCOM) next-generation logistics and sustainment support program.

Under the Special Operations Forces Global Logistics Support Services (SOF GLSS) contract, U.S. Special Operations Forces will receive a wide range of tailored logistics, maintenance and sustainment services worldwide.

The SOF GLSS program is the competitive follow-on contract to the Special Operations Forces Contractor Logistics Support Services (SOF CLSS) contract.

Awarded to Lockheed Martin in 2010, [SOF CLSS](#) is USSOCOM's largest service contract vehicle, providing the full scope of logistics services required to support the U.S. Special Operations community.

"Lockheed Martin is the proven partner for the future of U.S. Special Operations logistics and sustainment support," said Paul Lemmo, vice president of Fire Control / SOF CLSS at Lockheed Martin Missiles and Fire Control. "Our agile, innovative and on-demand logistics support for the SOF CLSS program demonstrates our unrivaled dedication to the men and women at the tip of the spear. We have the right team in place to ensure our Special Operators have what they need, when and where they need it."
